BIRTHDAY PARTY

In November 2021, The Ministry hosted a memorable birthday celebration for Andreas L., marking her 50+1 birthday. Initially planned for her 50th birthday, the event had to be postponed due to the Covid-19 pandemic. This delay only heightened the anticipation and significance of the celebration, making it an event to remember.

Understanding the importance of this milestone and the challenges posed by multiple lockdowns, the events team was determined to go above and beyond to ensure the success of Andreas's birthday party. Every detail was meticulously planned to create a unique and unforgettable experience.

Given Andreas's Greek heritage, the team wanted to incorporate elements that would resonate with her cultural background. To achieve this, catering was sourced from her favorite local Greek restaurant in North London. The delicious Greek cuisine was delivered to the venue as a delightful surprise for the guests.

The Ministry was transformed into a charming alpine ski lodge, creating a cosy and festive atmosphere. This creative theme added an element of surprise and excitement, transporting guests to a winter wonderland. The décor featured rustic wooden elements, faux fur accents, and ambient lighting, all contributing to the ski lodge ambiance.

To complement the theme, bespoke cocktails were crafted and offered throughout the event. The cocktail menu was carefully curated to include a variety of flavours, ensuring there was something for everyone to enjoy.

“Thank you so much for everything! Forever grateful to you & your team for giving Androulla the best birthday ever.”
