ONE NIGHT ONLY

In March 2019, Wild at Heart Foundation invited guests to join them for an exclusive evening of fine art and fundraising, titled 'One Night Only'. The unique event offered attendees the chance to purchase pieces by celebrated artists, to raise funds for their dog charity – 'to compassionately reduce the world's 600 million stray dog problems through a spaying and neutering initiative, global education programmes and re-homing.

The White Space at The Ministry provided the perfect space for the artwork to be displayed. Art exhibition rails were installed into the space and the in-house events team organised transportation and insurance of the artwork to maximise the donations for the charity. The space was adorned with floral arrangements that suited the style of the pieces, including a dog constructed out of flowers.

Moving through to the reception, guests were guided into The Bar & Garden where exclusive cocktails were served. Well-behaved dogs were welcomed into the venue, enjoying the treats and water bowls provided.
