CARAVAN CHRISTMAS PARTY

Disco-Van 2024 was a vibrant Christmas celebration hosted by Caravan Restaurants to commemorate the achievements of their teams throughout 2024 and transformed Ministry of Sound into “Funky Town.”

The event featured a variety of entertainment and festivities, including a notable piano performance by one of the senior team members. This intimate solo added a touch of personalisation to the festivities.

Throughout the evening, guests enjoyed a diverse range of entertainment. The night included traditional Mauri dancers, who performed a culturally rich and captivating routine that honoured Caravan Restaurants’ New Zealand

heritage. This performance underscored the company’s commitment to celebrating their diversity and cultural roots.

The highlight of the night was the ‘sax’-ed up tunes that kept everyone on their feet and dancing. The event also included the presentation of awards, recognizing outstanding achievements by Caravan Restaurants’ teams. Guests also enjoyed a culinary journey with delectable food offerings and refreshing drinks.
